Sunscreen Permission

Bright Start supplies sunscreen for all of the children over the age of 6 months. We use Rocky Mountain Sunscreen. The product description can be found on Bright Start's website. If your child needs a particular type of sunscreen, you may supply it for his or her use. Bright Start's policy regarding application is as follows:

- **Teddy Bears and Bees Classes:** Parents do not need to apply sunscreen in the morning. Teachers will apply sunscreen to children over the age of 6 months at least 30 minutes before going outside.
- **Turtles Classes and Older:** Parents must apply sunscreen in the morning before dropping off. Teachers will re-apply after nap.

By signing below, you are agreeing to the policies outlined above and are giving permission to Bright Start's staff to apply sunscreen to your child. Your signature is also an acknowledgment that your child has not had any adverse reactions to sunscreen. (If he or she has had an adverse reaction, please speak with the Director before returning this form.)

- My child may use Bright Start's sunscreen.
- My child will not use Bright Start's sunscreen. I will supply sunscreen for his or her use.
